What is The Wild Bunch Film Festival?

It's a competitive event dedicated to making things happen for emerging filmmakers and hoping to inspire and encourage filmmakers as well as screenwriters, to pursue courageous and bold artistic visions for the western genre.

The three-day festival, held in Willcox, Arizona is known for embracing the heart and spirit of independent western films.

Our hope is to attract the high profile and novice filmmakers, so attendees of the festival will enjoy several artistic experiences of western films and individuals driven by the true and raw spirit of independent movie making.

Are your Show Times exact?

The Wild Bunch Film Festival will make every effort for a film to start at its scheduled time, but sometimes films may start early or late, due to the Q&As running long or short. To be safe it's always a good practice to arrive a bit early for the film you want to see. In rare situations, a film that has not been sent in by the deadline date could be disqualified and the film schedule could possibly change without notice, and would be out of our control.

What makes TWBFF screenings different?

It's all about the western genre. But even though it's specific to westerns, there's a wide variety of sub-genres of westerns such as classical, contemporary, meat pie, spaghetti, horror, comedy, etc.

Are your films rated?

Most of the films at TWBFF have not yet been rated by the Motion Picture Association of America (MPAA) and therefore have not received an 'Official' rating; however, we have created a ratings system based on MPAA standards giving consideration to the local viewing audience. Festival goers should exercise discretion when attending a film.

Where to stay?

There are several links on the website. Look for "Places to Stay" link at thewildbunchfilmfestival.com

What about Covid 19?

The Willcox Theater will be following the CDC guidelines and will have safety measures in place. Wearing masks and social distancing is requested. Every other theater row will be blocked off. Theater staff & employees will be wearing masks & gloves. - TWBFF Team
