"THE WILD BUNCH"

50TH ANNIVERSARY MOVIE EVENT

FRIDAY OCT 4TH - 6:00PM - SPECIAL GUEST - Q&A'S - BOOK SIGNING

What is The Wild Bunch Film Festival?

It's a competitive event dedicated to making things happen for emerging filmmakers and hoping to inspire and encourage filmmakers as well as screenwriters, to pursue courageous and bold artistic visions for the western genre.

The three-day festival, held in Willcox, Arizona is known for embracing the heart and spirit of independent western films.

Our hope is to attract the high profile and novice filmmakers, so attendees of the festival will enjoy several artistic experiences of western films and individuals driven by the true and raw spirit of independent movie making.

Tickets/Passes are all sold at thewildbunchfilmfestival.com
Tickets/passess sold at venue location could increase.

Fri Oct 4th – Independent western film screenings from 3:00pm until 6:00pm. Then a special 50th Anniversary screening of “The Wild Bunch” along with “The Wild Bunch: An Album in Montage”, with special VIP guest followed by Q&A's and a book signing the Willcox Historic Theater.

Sun Oct 6th: Have fun at TWBFF Afterparty at Cattlerest from 10:30pm to 12:30am. <https://www.cattlerest.com/>

Are your Show Times exact?

The Wild Bunch Film Festival will make every effort for a film to start at its scheduled time, but sometimes films may start early or late, due to the Q&As running long or short. To be safe it's always a good practice to arrive a bit early for the film you want to see. In rare situations, a film that has not been sent in by the deadline date could be disqualified and the film schedule could possibly change without notice, and would be out of our control.

What makes TWBFF screenings different?

It's all about the western genre. But even though it's specific to westerns, there's a wide variety of sub-genres of westerns such as classical, contemporary, meat pie, spaghetti, horror, comedy, etc.

Are your films rated?

Most of the films at TWBFF have not yet been rated by the Motion Picture Association of America (MPAA) and therefore have not received an 'Official' rating; however, we have created a ratings system based on MPAA standards giving consideration to the local viewing audience. Festival goers should exercise discretion when attending a film.
